> “dedicated to providing exceptional quality assurance, inspections, auditing and welding solutions.”

KNB
FABRICATIONS

OUR MISSION

At **KNB FABRICATIONS** our mission is to provide our customers with the highest quality fabrication and welding services. We strive to build long-term relationships with each of our clients. We are dedicated to staying at the forefront of our industry by continuously improving our processes and procedures. Above all, we are committed to safety, quality and reliability in everything we do.

WHY CHOOSE US

Our team has expertise in a wide range of fabrication and welding procedures, including GMAW, GTAW, and MMAW, as well as plasma cutting, bending, air-arc gouging and rolling. We are experienced in working with a variety of materials, including steel, aluminum, and stainless steel.

> “safety, quality, and reliability in everything we do.”
